

Mrs. Cook's 4th Grade Big Kahuna Schedule

Dear Families & upcoming Big Kahuna,

This school year your child will be featured as our fourth grade Big Kahuna, the schedule with your child's assigned week is attached. It will be a week to showcase your child's individual interests, talents, and things we "need" to know! Below you will find a daily outline of scheduled events for your child to complete. I hope this activity becomes a memorable family project.

- ✓ Monday (Poster presentation)- You will tell the class about yourself while presenting a poster. You will have the poster prepared BEFORE your big Kahuna week, so you can present the poster to the class on Monday! This will help the class get to know you better.

*I will share the poster activity with you the week before your Big Kahuna week

- ✓ Tuesday (Sharing)- Share a special momento for show and tell. Be ready to explain this item's importance to you and what makes it so special.
- ✓ Wednesday (Read Aloud)- Have your all time favorite book ready and you will read it to the class. Keep in mind you will have no more than 15 minutes.
- ✓ Thursday (Parent Share)- Parents you have the opportunity to brag about your Big Kahuna. This can be done in many different ways. Send me a poem about your child, record a video message, write a letter letting us know how special your child is, you can even write a song. ☺ We just need something from the family on this day.
- ✓ Friday (Positive Notes to Students)- You will be presented with letters written by your classmates to the "Big Kahuna!"
