

VOLUNTEER

As of now, we are not permitted to have volunteers on campus. Once we are able to have volunteers on campus you will be contacted. We have a fabulous year planned for our fourth graders and it takes a village of volunteers to make everything happen. Please select the activities you might be interested in helping with and you will be contacted by Mrs. Cook, room parent(s), or committee members as opportunities in the different areas arise. Simply scan the QR code and sign up in the area(s) you can help with. Thank you in advance for your gift of time!

Here is a list of activities you can choose from:

- ✓ **Room Mom/Dad** (Work with the teacher to coordinate classroom activities, coordinate completion of phone tree, manage classroom e-list, collect and manage classroom funds, coordinate and delegate PTA, safety, and yearbook activities for the classroom)
